

Vaccination and Immunization Policy

Per the following codes, [DCL GEN 08-12](#) and [20 U.S.C. 1092\(a\)\(1\)](#), the Focus Personal Training Institute (FPTI) is required to notify students about its vaccination and immunization policy.

During the COVID-19 national emergency, FPTI was closely following guidance from the Center for Disease Control (CDC), as well as all Emergency Executive Orders set in place by the City of New York.

Due to the fluidity of the COVID-10 pandemic, FPTI will continue to follow any future guidance that may be released. Please contact FPTI's School Directors at directors@fpti.edu for the most recent updates.
